The Contractor shall provide the following specific services for the Birth to Three Program and shall comply with the terms and conditions set forth in this Contract as required by the Agency, including but not limited to the requirements and measurements for scope of services, Contract performance, quality assurance, reports, terms of payment and budget. No sections in this Part I shall be interpreted to negate, supersede or contradict any section of Part II. In the event of any such inconsistency between Part I and Part II, the sections of Part II shall control.

### **1. Program Operation:**

- a. **Population:** This contract is for the operation of a General Birth to Three Program serving all eligible children also known as “Clients” as defined in Part II, Section A.5.
- b. **Duration:** The Contractor agrees to operate one or more Birth to Three Programs (“Program”) for eligible children, under the federal Individuals with Disabilities Education Act (“IDEA”)(34 CFR Part 303) and its regulations, C.G.S. § 17a-248 and its regulations, and Birth to Three procedures and service guidelines issued by the Department, as such statute, regulations, procedures, and guidelines may be amended from time to time, for the term of this contract. This contract may be renewed up to an additional # year(s). Any renewal of this contract shall require an amendment executed by the parties and approved as to form by the Office of the Attorney General.
- c. **Referrals:** The Contractor agrees to have personnel available to accept referrals on all business days, fifty-two weeks per year. The Contractor agrees to accept referrals only from the toll-free intake Contractor (Child Development Infoline, per a separate contract between United Way and the Department) and to contact referred families within one business day of the referral by telephone, email or by mail if there is no telephone contact number or email address for the family.
  1. The Contractor agrees to accept any transfers from other Contractors operating Birth to Three Programs and to provide Program services to any child found eligible, until or unless the Contractor’s Program is not accepting any new referrals.
  2. It is the responsibility of the Contractor to indicate, through the Birth to Three Data System,
    - a. when it chooses to go out of the rotation cycle for this Program because it can no longer accept any new referrals or transfers; and
    - b. again when it is able to accept new referrals and transfers.
  3. For purposes of automatically accepting new referrals and transfers, the Contractor may, with prior approval by the Department choose to indicate availability by a single town or groupings of towns through the Department’s electronic data system.
  4. When all contractors for a particular town have indicated in the data system that they are no longer accepting transfers or referrals through the rotation process, Child Development Infoline will send new referrals for that town to the contractors on a rotating basis. Consideration will be given to the size of the program. The contractor will be responsible for contacting the family and notifying them when an evaluation will be scheduled.
  5. When so directed by the Department, a Contractor operating a General Birth to Three Program as specified in Part I, Section 1.a. of this contract may conduct a comprehensive developmental screening of referred children who have not been screened within the past three months or who do not have a diagnosed medical condition as defined in the “Evaluation and Assessment” procedure located on the Birth to Three website at [www.birth23.org](http://www.birth23.org), subject to revision from time to time. All screenings will use screening instruments specified by the Department and may be conducted by any qualified personnel trained in the use of the instrument, as specified in the Personnel Standards procedure located on the Birth to Three website. A child who passes the screening in accordance with criteria issued by the Department does not require a

multidisciplinary evaluation unless specifically requested by the parent. The Birth to Three procedures are available on the Birth to Three website at [www.birth23.org](http://www.birth23.org).

6. Unless directed by the Department to perform developmental screening, the Contractor will conduct a multidisciplinary, face-to-face evaluation or initial assessment of each child referred to the Birth to Three System to determine eligibility and to assist in the development of the Individualized Family Service Plan (“IFSP”). All screenings, evaluations, and initial assessments will be with parent consent in the child’s natural environment. Scheduling of the evaluation or assessment will be offered during normal work hours Monday through Friday and may include evening and weekend hours. The commercially-available normed, standardized instrument used in the eligibility determination must be the most recent published version. When new versions are published, the Contractor must begin using the newest version within twelve months of publication. The Contractor is solely responsible for selecting and purchasing the normed, standardized instruments to be used in multidisciplinary evaluations. If the child is already known to be eligible due to a diagnosed condition or pre-existing evaluation that meets the Birth to Three requirements, the Contractor will conduct a multidisciplinary assessment to assist in the development of the IFSP. Each initial evaluation or assessment will include administration of an autism screening instrument for any child 16 months of age or older, unless the child has already been recently screened for autism.
7. If this Contract indicates in Part I, Section 1.a. that it provides for the operation of a Program only for children with autism spectrum disorders, the Contractor will accept only children suspected of having autism spectrum disorders for purposes of evaluation or assessment. All autism assessments will be conducted in the child’s natural environment. If this Contract indicates in Part I, Section 1.a. of this contract that it provides for the operation of a Program only for children that are deaf or hard-of-hearing the Contractor will accept only referrals of children diagnosed with or suspected to have a hearing loss.
8. If written notification of contract cancellation, termination for cause, or non-renewal has been issued by either party, then the Department will notify the toll-free intake Contractor to discontinue all referrals to the Contractor. The Contractor and the Department will then meet to develop a plan to transfer all enrolled children and families to another Birth to Three Program. If no plan is developed, the Department will assume sole responsibility for transferring all enrolled children and families to another Birth to Three Program and Contractor shall comply with all instructions given by the Department to effectuate such transfers.

d. Services:

- 1a. The Contractor agrees to provide service coordination for this Program to all eligible children served and to provide any of the other services required by federal law and needed by a child enrolled in the Program. Delivery of Program services and service coordination to enrolled children must be available during normal work hours Monday through Friday and may include evening and weekend hours.
- 1b. For all families of eligible children enrolled, the Contractor also agrees to offer opportunities for family support groups to assist families with contacting other families whose children have special needs.
2. The Contractor shall use funds provided by this contract to either hire or subcontract with individual service providers to conduct contracted activities and services. The appropriateness and quality of all services are the sole responsibility of the Contractor.
3. The Department shall make available to the Contractor its Birth to Three Procedures and Service Guidelines through its website [www.birth23.org](http://www.birth23.org).
4. If the Contract indicates in Part I, Section 1.a that it provides for the operation of a Program only for children with autism spectrum disorders, that Program will provide services only to eligible children who are either diagnosed as having autism spectrum disorders or who meet the criteria for the educational classification of autism found in the federal IDEA and its regulations as they may be amended from time to time. If the

Contract indicates in Part I, Section 1.a. of this contract that it provides for the operation of a Program only for children who are deaf or hard of hearing, it will provide services only to eligible children who are diagnosed with a hearing loss.

5. The Contractor's average scheduled IFSP direct service hours per month will not be less than 1.5 standard deviations from the statewide average for a program of the same type as specified in Part I Section 1.a. of this contract. If the program does not adhere to this average, enforcement actions as listed in Part I, Section 2.e.2 of this contract will be invoked.

The Contractor shall assist the family in transferring to another Program only if the family so chooses, in accordance with the transfer procedure located on the Birth to Three website at [www.birth23.org](http://www.birth23.org). If there are IFSP services that were not delivered to a child or family prior to transfer due to staff, subcontractor, or inclement weather reasons and the family had not given written consent in the IFSP to forego those services, provision of these services prior to the child's third birthday will remain the responsibility of the sending Program. The sending Program can either provide those missed service hours or make financial or other arrangements with the receiving Program to provide those missed services. If the Contractor that is the receiving Program agrees to sell those services, they may not charge the sending program more per hour than the state's hourly supplemental rates for professional or para-professional services. If the sending Program is unable to provide or make financial arrangements for missed services owed, the receiving Program will provide the missed services the Department will pay the receiving program on an hourly basis and deduct the cost from the sending Program's monthly payment. The Department will not pay for evaluation or service units delivered by Contractor's staff or subcontractors that do not meet Birth to Three personnel standards or for Contractor's staff or subcontractors who are conducting evaluations, or providing services outside of their job responsibilities as described in the Birth to Three personnel standards located on the Birth to Three website at [www.birth23.org](http://www.birth23.org).
  10. The Contractor agrees that subcontracts for the purpose of delivering direct Program services under this contract to Birth to Three eligible children shall include that early intervention services rendered by the subcontractor are at no additional cost to families and shall have such provisions as necessary for the Contractor to meet all terms and conditions of this contract.

2. In the event that a Contractor incorrectly receives insurance receipts for any child not enrolled in this Program, those receipts must be returned directly to the health insurance plan.
3. In the event that a contractor receives payments from a family's own health savings account (HSA) that have been made automatically toward a family's deductible, those receipts must be returned to the family.
4. Parents shall not be billed by the Contractor for any Birth to Three services provided by the Contractor or its subcontractors. The Contractor shall be responsible for recouping insurance reimbursements inadvertently sent directly to families and reporting this to the Department fiscal office and submitting documentation. **8. Payments:**

- a. General Payment Method: The Contractor shall complete monthly attendance through the Birth to Three data system, sign electronically, and submit one monthly invoice, Birth to Three Form 2-1, by the 15th of the month for the previous month for each type of Program specified in Part I, Section 1.a. of this contract. If attendance is not signed off electronically by the Contractor by the 15<sup>th</sup> of the month following the provision of services and thereby preventing timely issuance of the Family Cost Participation invoice, the program will be penalized one percent of their payment for every day this is not completed. The Department shall pay for services monthly, by retroactive payment, one monthly payment per invoice. Payment will be made no later than 30 days after the Department’s receipt and approval of required reports and forms. The Contractor will be paid based on a unit of enrollment that equals 1/2 of a month. The first half will be the 1st through the 15th and the second half will be the 16th of the month on. The payment for one unit of service will be established by the Department for both general as well as autism-specific and deaf hard-of-hearing specific Programs, as revised from time to time by the legislature, and posted by July 1 of each year on the Department’s website [www.ct.gov/dds](http://www.ct.gov/dds).
- b. Developmental Screening: Contractors operating general Birth to Three Programs will be paid for each developmental screening (when so directed by the Department) at a rate established by the Department, as revised from time to time by the legislature, and posted by July 1 of each year on the Department’s website [www.ct.gov/dds](http://www.ct.gov/dds).
- c. Initial Evaluation and IFSP Meetings: Contractors will be paid one service unit for each initial evaluation completed provided that the evaluation or initial assessment meet the requirements of being multidisciplinary and being administered by qualified personnel as defined in the Personnel Standards located in the “Personnel Standards” procedure in the Birth to Three Procedures on the Birth to Three website at [www.birth23.org](http://www.birth23.org). Contractors will be paid for each initial IFSP meeting at a rate established by the Department, as revised from time to time, and posted by July 1 of each year on the Department’s website [www.ct.gov/dds](http://www.ct.gov/dds) if the meeting is held on a separate date from the initial evaluation/assessment and within 45 days of the referral to Child Development Infoline (unless the meeting is delayed at the request of the family). Documentation that written prior notice was given to the parent prior to the IFSP meeting or that the IFSP meeting was held at the parent’s request must be kept in the child’s early intervention record.
- d. Payment for Ongoing Direct Services: Payment for enrollment of a child new to the system will begin as soon as the IFSP is signed by the child’s physician or advanced practice registered nurse and direct services have begun,

as indicated by monthly attendance data. Payment will continue for any enrolled child who has a current IFSP unless the monthly attendance form indicates that no services were delivered in that month. For payment purposes, the term “service”, after the initial IFSP direct services have begun includes IFSP review or annual meetings, transition conferences, and planning and placement team meetings. Payment will resume when services resume. The Contractor must, with written prior notice to the family, discontinue children for whom there are no expectations of continuing either direct service or those services that are required to be provided at no cost to the family.

- e. Payment for Those Services Required to be Provided at No Cost to the Family as Chosen by the Family: For eligible children whose families choose to receive those services that are required to be provided at no cost to the family, the Contractor will be paid for service coordination, evaluation, and IFSP development and evaluation. The Contractor will be paid monthly according to a rate established by the Department, as revised from time to time by the legislature, and posted by July 1 of each year on the Department’s website [www.ct.gov/dds](http://www.ct.gov/dds) provided that the Contractor documents that service coordination (including transition services), evaluation/assessment or development and evaluation of the IFSP was provided during the month. Contacting the family via email or voicemail does not constitute contact. A face-to-face contact between the service coordinato and the parent is required at least once every three months. The monthly payment will be suspended for the third month in which there is no such face-to-face contact and will resume during the subsequent month that face-to-face contact has been made.
  
- f. Supplemental Payments: The Contractor is eligible to receive reimbursement (“Supplemental Payments”) when more than 13 hours per month of contracted services are delivered for each eligible child, that have been pre-approved by the Department. The Contractor operating a general Program may submit a request for such supplemental payment for any child’s IFSP that requires more than 13 contact hours of service per month. Group services, in which more than one eligible child is receiving services at a time, will be calculated at the rate of 1 hour of group = 1/2 hour of individual service. Following the approval of a request for supplemental payments, and if more than 13 hours of service are delivered in a month, the Contractor will be reimbursed for hours in excess of 13. The cost for approved hours in excess of 13 per month will be paid at rates established by the Department, as revised from time to time by the legislature, and posted by July 1 of each year on the Department’s website [www.ct.gov/dds](http://www.ct.gov/dds). The Contractor operating a Birth to Three Program that is specific to children on the autism spectrum or children who are deaf or hard of hearing, as specified in Part I, Section 1.a. of this contract, is not required to submit a request for supplemental payments for any child’s IFSP requiring less than 80 hours of direct services per month and will be reimbursed hours in excess of 13 at the same established rates as referenced above. The Contractor operating a Birth to Three general Program, as specified in Part I, Section 1.a. of this contract is not required to submit a request for supplemental payment if the sole reason that service hours exceeded 13 in a month solely due to the number of weeks in the particular month.
  - 1. The first 13 hours of any contracted services that are covered by the existing unit cost rate will include any professional services rendered. To the extent that such professional services are less than 13 contact hours per month, any remaining hours up to 13 will be charged as either early intervention associate or early intervention assistant hours. The Contractor may request that the first and last months of service be prorated for direct services in excess of 6.5 hours and in those cases, the Contractor will be reimbursed for those hours over 6.5. Pro-rating may occur when services begin on or after the 16<sup>th</sup> of the month or the child exits on or before the 15<sup>th</sup> of the month. The term “exit” means that the child has been discontinued in the Contractor’s Program because he or she transferred to another Program, the parents withdrew the child prior to age three, the Contractor can no longer locate the family, or the child is no longer under the age of three.
  - 2. The Contractor will document the actual number of hours of contracted services provided in the Progress Notes which the Contractor shall record in the child’s early intervention record and the Birth to Three data system in order to receive a supplemental payment.

g. Assistive Technology:

1. The Program will be reimbursed for the cost of any approved assistive technology device costing over \$250 that is not covered by third party payers. The Program must seek third party reimbursement for the assistive technology device. If Medicaid pays for an appropriate device, the vendor and the Contractor must accept that amount as payment in full. An invoice for the Contractor's purchase of any assistive technology device required under the IFSP will be part of the Contractor's regular monthly invoice (Birth to Three Form 2.1). The Contractor will consult with the New England Assistive Technology Marketplace (NEAT Marketplace, per a separate contract between Connecticut Institute for the Blind and the Department) prior to requesting reimbursement for purchase of any assistive technology device other than a hearing aid. The Contractor will contact the NEAT Marketplace for refurbishment or storage of any device where the price paid for the device used at least 51% of Birth to Three funds provided through this contract and the child it was purchased for no longer needs the device.
  2. Upon contract cancellation, termination for cause or non-renewal, the Contractor shall return any state-owned assistive technology devices to the Department.
- h. Specialty Evaluations: Upon prior approval from the Department, the Contractor will be reimbursed for 75% of the total cost (less any third party reimbursement) for any specialty evaluation costing in excess of \$400. The amount due to the Contractor will be reported by the Contractor as an adjustment on the monthly direct service invoice (Form 2-1). Other limits on this reimbursement are established located in the "Payments to Programs" procedure in the Birth to Three Procedures on the Birth to Three website at [www.birth23.org](http://www.birth23.org) the Department may choose to reimburse at the lower amount.
- i. Interpreting Services Other than Spanish: Upon prior approval from the Department, the Contractor will be reimbursed monthly for 75% of the cost for interpreting services (for languages other than Spanish) for that portion of the interpretation fee that exceeds \$250 per month. The amount due to the Contractor will be reported by the Contractor as an adjustment in of the monthly direct service invoice (Form 2-1). Other limits on this reimbursement are located in the "Payments to Programs" procedure in the Birth to Three Procedures on the Birth to Three website at [www.birth23.org](http://www.birth23.org).
- j. One-time Payments: At the sole discretion of the Department, and within available appropriations, a one-time payment may be made to the Contractor for the purpose of enhancing Program quality or to offset unforeseen Program costs beyond the control of the Contractor.
- k. Inclusive Playgroups: The Contractor will be reimbursed for expenses associated with assisting families to access inclusive playgroup experiences for eligible children up to a specified dollar amount each year based on Program size as of July 1 of each year. In no case will the Contractor be reimbursed for expenses associated with playgroups operated by the Contractor's own organization.
- l. The Contractor will be notified by the Department no later than August 1 of each year of its Program size and the associated inclusive playgroup limits.
- m. IFSP Services Owed to Families that Transfer: If there are IFSP services that were not delivered by the Contractor's staff or subcontractors and the family has not given written consent in the IFSP to forego those services prior to a family's transfer to another Program, the sending Program is responsible for those service hours as stated in Part I, Section 1.f.
- n. Cash advance payments (as specified in Part I, Section 16 of this contract) made under this or a prior contract will be applied against future amounts owed under this or any successor agreement(s), upon notification of contract cancellation, termination for cause, or non-renewal. In the event that there are no such future amounts, the entire cash advance will be due to the Department within 30 days of cancellation, termination for cause, or non-renewal of this contract.

When the Contractor is implementing a settlement agreement entered into by the Department in lieu of a hearing, the Contractor will be reimbursed for compensatory services either under the normal payment process or under terms that may be unique to each agreement, as determined by the Department. The Contractor will not be reimbursed for any services that should have been provided to an eligible child in accordance with an IFSP but were not delivered due to cancellation by the Contractor’s personnel.

The Contractor may choose to maintain one separate cost center covering all types of Programs specified in Part I, section 1.a. of this contract, provided that Program revenues and costs are segregated for each type of Program. If this is not feasible, the Contractor may choose to have one cost center for each type of Program specified in Part I, Section 1.a. of this contract.

If a Personal Information Breach has occurred, the Contractor shall, within three (3) business days after the notification, present a credit monitoring and protection plan to the Commissioner of Administrative Services, the Department and the Connecticut Office of the Attorney General, for review and approval. Such credit monitoring or protection plan shall be made available by the Contractor at its own cost and expense to all individuals affected by the Personal Information Breach. Such credit monitoring or protection plan shall include, but is not limited to reimbursement for the cost of placing and lifting one (1) security freeze per credit file pursuant to Connecticut General Statutes § 36a-701a. Such credit monitoring or protection plans shall be approved by the State in accordance with this Section and shall cover a length of time commensurate with the circumstances of the Personal Information Breach. The Contractors' costs and expenses for the credit monitoring and protection plan shall not be recoverable from the Department, any State of Connecticut entity or any affected individuals.
- (d) The Contractor shall incorporate the requirements of this Section in all subcontracts requiring each Contractor Party to safeguard Personal Information in the same manner as provided for in this Section.

To the extent that this Section conflicts with any other Section, this Section shall govern.

#### **Section D. Changes to the Contract, Termination, Cancellation and Expiration.**

##### **1. Contract Amendment.**

- (a) No amendment to or modification or other alteration of this Contract shall be valid or binding upon the parties unless made in writing, signed by the parties and, if applicable, approved by the OAG.
- (b) The Agency may amend this Contract to reduce the contracted amount of compensation if:
  - (1) the total amount budgeted by the State for the operation of the Agency or Services provided under the program is reduced or made unavailable in any way; or
  - (2) federal funding reduction results in reallocation of funds within the Agency.
- (c) If the Agency decides to reduce the compensation, the Agency shall send written Notice to the Contractor. Within twenty (20) Days of the Contractor's receipt of the Notice, the Contractor and the Agency shall negotiate the implementation of the reduction of compensation unless the parties mutually agree that such negotiations would be futile. If the parties fail to negotiate an implementation schedule, then the Agency may terminate the Contract effective no earlier than sixty (60) Days from the date that the Contractor receives written notification of Termination and the date that work under this Contract shall cease.

##### **2. Contractor Changes and Assignment.**

- (a) The Contractor shall notify the Agency in writing:
  - (1) at least ninety (90) days prior to the effective date of any fundamental changes in the Contractor's corporate status, including merger, acquisition, transfer of assets, and any change in fiduciary responsibility;

    - (A) its certificate of incorporation or other organizational document;

- (B) more than a controlling interest in the ownership of the Contractor; or
  - (C) the individual(s) in charge of the performance.
- (b) No such change shall relieve the Contractor of any responsibility for the accuracy and completeness of the performance. The Agency, after receiving written Notice from the Contractor of any such change, may require such contracts, releases and other instruments evidencing, to the Agency's satisfaction, that any individuals retiring or otherwise separating from the Contractor have been compensated in full or that allowance has been made for compensation in full, for all work performed under terms of the Contract. The Contractor shall deliver such documents to the Agency in accordance with the terms of the Agency's written request. The Agency may also require, and the Contractor shall deliver, a financial statement showing that solvency of the Contractor is maintained. The death of any Contractor Party, as applicable, shall not release the Contractor from the obligation to perform under the Contract; the surviving Contractor Parties, as appropriate, must continue to perform under the Contract until performance is fully completed.
- (c) Assignment. The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of the Agency.
- (1) The Contractor shall comply with requests for documentation deemed to be appropriate by the Agency in considering whether to consent to such assignment.
  - (2) The Agency shall notify the Contractor of its decision no later than forty-five (45) Days from the date the Agency receives all requested documentation.
  - (3) The Agency may void any assignment made without the Agency's consent and deem such assignment to be in violation of this Section and to be in Breach of the Contract. Any cancellation of this Contract by the Agency for a Breach shall be without prejudice to the Agency's or the State's rights or possible claims against the Contractor.

### **3. Breach.**

- (a) If either party Breaches this Contract in any respect, the non-breaching party shall provide written notice of the Breach to the breaching party and afford the breaching party an opportunity to cure within ten (10) Days from the date that the breaching party receives the notice. In the case of a Contractor Breach, the Agency may modify the ten (10) day cure period in the notice of Breach. The right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure, but the nature of the Breach is such that it cannot be cured within the right to cure period. The Notice may include an effective Contract cancellation date if the Breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the cancellation date, no further action shall be required of any party to effect the cancellation as of the stated date. If the notice does not set forth an effective Contract cancellation date, then the non-breaching party may cancel the Contract by giving the breaching party no less than twenty four (24) hours' prior written Notice after the expiration of the cure period.
- (b) If the Agency believes that the Contractor has not performed according to the Contract, the Agency may:

- (1) withhold payment in whole or in part pending resolution of the performance issue, provided that the Agency notifies the Contractor in writing prior to the date that the payment would have been due in accordance with the budget;
  - (2) temporarily discontinue all or part of the Services to be provided under the Contract;
  - (3) permanently discontinue part of the Services to be provided under the Contract;

  - (5) require that contract funding be used to enter into a subcontract with a person or persons designated by the Agency in order to bring the program into contractual compliance;
  - (6) take such other actions of any nature whatsoever as may be deemed appropriate for the best interests of the State or the program(s) provided under this Contract or both; or
  - (7) any combination of the above actions.
- (c) The Contractor shall return all unexpended funds to the Agency no later than thirty (30) calendar days after the Contractor receives a demand from the Agency.

- (e) The action of the Agency shall be considered final. If at any step in this process the Contractor fails to comply with the procedure and, as applicable, the mutually agreed plan of correction, the Agency may proceed with Breach remedies as listed under this section.
- 4. Non-enforcement Not to Constitute Waiver.** No waiver of any Breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent Breach. All remedies afforded in the Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity. A party's failure to insist on strict performance of any section of the Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of performance and shall not be deemed to be a waiver of any subsequent rights, remedies or Breach.
- 5. Suspension.** If the Agency determines in its sole discretion that the health and welfare of the Clients or public safety is being adversely affected, the Agency may immediately suspend in whole or in part the Contract without prior notice and take any action that it deems to be necessary or appropriate for the benefit of the Clients. The Agency shall notify the Contractor of the specific reasons for taking such action in writing within five (5) Days of immediate suspension. Within five (5) Days of receipt of this notice, the Contractor may request in writing a meeting with the Agency Head or designee. Any such meeting shall be held within five (5) Days of the written request, or such later time as is mutually agreeable to the parties. At the meeting, the Contractor shall be given an opportunity to present information on why the Agency's actions should be reversed or modified. Within five (5) Days of such meeting, the Agency shall notify the Contractor in writing of his/her decision upholding, reversing or modifying the action of the Agency head or designee. This action of the Agency head or designee shall be considered final.
- 6. Ending the Contractual Relationship.**

- (a) This Contract shall remain in full force and effect for the duration of its entire term or until such time as it is terminated earlier by either party or cancelled. Either party may terminate this contract by providing at least sixty (60) days prior written notice pursuant to the Notice requirements of this Contract.
- (b) The Agency may immediately terminate the Contract in whole or in part whenever the Agency makes a determination that such termination is in the best interest of the State. Notwithstanding Section D.2, the Agency may immediately terminate or cancel this Contract in the event that the Contractor or any subcontractors becomes financially unstable to the point of threatening its ability to conduct the services required under this Contract, ceases to conduct business in the normal course, makes a general assignment for the benefit of creditors, suffers or permits the appointment of a receiver for its business or its assets.
- (c) The Agency shall notify the Contractor in writing of Termination pursuant to subsection (b) above, which shall specify the effective date of termination and the extent to which the Contractor must complete or immediately cease performance. Such Notice of Termination shall be sent in accordance with the Notice provision contained on page 1 of this Contract. Upon receiving the Notice from the Agency, the Contractor shall immediately discontinue all Services affected in accordance with the Notice, undertake all reasonable and necessary efforts to mitigate any losses or damages, and deliver to the Agency all Records as defined in Section A.14, unless otherwise instructed by the Agency in writing, and take all actions that are necessary or appropriate, or that the Agency may reasonably direct, for the protection of Clients and preservation of any and all property. Such Records are deemed to be the property of the Agency and the Contractor shall deliver them to the Agency no later than thirty (30) days after the Termination of the Contract or fifteen (15) days after the Contractor receives a written request from the Agency for the specified records whichever is less. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to ASCII or .TXT.
- (d) The Agency may terminate the Contract at any time without prior notice when the funding for the Contract is no longer available.
- (e) The Contractor shall deliver to the Agency any deposits, prior payment, advance payment or down payment if the Contract is terminated by either party or cancelled within thirty (30) days after receiving demand from the Agency. The Contractor shall return to the Agency any funds not expended in accordance with the terms and conditions of the Contract and, if the Contractor fails to do so upon demand, the Agency may recoup said funds from any future payments owing under this Contract or any other contract between the State and the Contractor. Allowable costs, as detailed in audit findings, incurred until the date of termination or cancellation for operation or transition of program(s) under this Contract shall not be subject to recoupment.

**7. Transition after Termination or Expiration of Contract.**

- (a) If this Contract is terminated for any reason, cancelled or it expires in accordance with its term, the Contractor shall do and perform all things which the Agency determines to be necessary or appropriate to assist in the orderly transfer of Clients served under this Contract and shall assist in the orderly cessation of Services it performs under this Contract. In order to complete such transfer and wind down the performance, and only to the extent necessary or appropriate, if such activities are expected to take place beyond the stated end of the Contract term then the Contract shall be deemed to have been automatically extended by the mutual consent of the parties prior to its expiration without any affirmative act of either party, including executing an amendment to the Contract to extend the term, but only until the transfer and winding down are complete.

- (b) If this Contract is terminated, cancelled or not renewed, the Contractor shall return to the Agency any equipment, deposits or down payments made or purchased with start-up funds or other funds specifically designated for such purpose under this Contract in accordance with the written instructions from the Agency in accordance with the Notice provision of this Contract. Written instructions shall include, but not be limited to, a description of the equipment to be returned, where the equipment shall be returned to and who is responsible to pay for the delivery/shipping costs. Unless the Agency specifies a shorter time frame in the letter of instructions, the Contractor shall affect the returns to the Agency no later than sixty (60) days from the date that the Contractor receives Notice.
